

## Dental Tool Digital Ultrasonic Cleaner Touch Control Fully Sterilizing Ultrasonic Denture Cleaner

Our Product Introduction

for more products please visit us on [skymenultrasonic.com](http://skymenultrasonic.com)

### Basic Information

- Place of Origin: China (Mainland)
- Brand Name: SkyMen
- Certification: CE RoHS FCC
- Model Number: JP-031T
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: 1pcs / color box, 4pcs / carton
- Delivery Time: In Stock
- Payment Terms: Paypal, , T/T, Western Union, L/C
- Supply Ability: 3000pcs per month

### Product Specification

- Color: Silver
- Tank Material: SUS304
- Housing Material: ABS
- Capacity: 6.5L
- Tank Size: 300×150×150mm
- Timer: 5 Digital Timer Settings
- Ultrasonic Power: 180W
- Transducer Numer: 3pcs
- Application: Dental Sterilization
- Highlight: **stainless steel ultrasonic cleaner, ultrasonic bath cleaner**

Breif introduction:

## Other Recommendation

### 6.Other recommendation:

If this tank size is not suitable for your dental tool cleaning, we have other smaller or bigger machine for you to choose. Please check other model below:

### 7.Introduction of Ultrasonic cleaning

#### DIRT ELIMINATION PROCESS THROUGH ULTRASONIC TECHNOLOGY

- Cleaning effect will be much better if using the machine together with proper solvent.

As ultrasonic wave through the solution in the tank, cause alternating high and low pressures in the solution.

During the low pressure stage, millions of microscopic bubbles form and grow. This process is called "CAVITATION".

During the high pressure stage, the bubbles implode releasing enormous amounts of energy. They work in all directions, attacking surface and invading all recesses and openings.

### 8. Skymen Policy For Distributor

We are only specializing in designing and producing ultrasonic cleaner so we need our partners in medical industry, always! We will keep our quality and competitive price for our distributor. If you would like to cooperate with us, please contact me directly.

### 9. Skymen Advantage

We have been in this industry for 10 years and we are supplying machines to all seller all over the world. All distributor is welcome for win-win cooperation. We have passed ISO, High Tech Company, CE, RoHS, FCC, National Medical Instrument Approval.

ISO:

CE

#### Competitive Advantage:

1. Our factory Machines produced with good quality parts, and competitive price. Machine warranty is for One year, for all the machines itself quality problems which in normal use and under warranty, we'll provide maintenance and provide machine parts free of charge.

2. For all our machines before delivery had passed Skymen Limited strict inspection, at least be testing 24-48 hours before delivery.
3. Provide ODM and OEM, Customers only need to told us the products which request for cleaning, and their detailed cleaning requirements, our engineers will provide them perfect solution free of charge. Also, clients own machine design and requirements all be OK.
4. After-sale service: To make sure our high quality and top service from us, before order will send the machine design drawing and specifications to clients for confirmation, before machine delivery we'll testing the machines 24-48 hours and QC fully inspection, if there is any problem in Customer's place, we'll helping to checking out the problem and provide the machine parts for replace free of charge, if can't to solve please return to us for a new one replace.
