Packing & Delivery

Our Factory

Skymen Service.

Warranty:

12 months warranty for Skymen ultrasonic cleaner.

Lifetime technical support

If any technical problem during warranty time, replacement parts will be sent free of charge.

Advantage:

1, Reply your enquiry in 24 working hours.

2, Experienced staffs answer all your questions in fluent English.

3, OEM is available if the quantity is large.

4, We offer very competitive for all our products.

5, The most important thing is that our product of quality, our design is innovative, we choose industrial grade quality circuit board, we have advanced production line and have very strict quality control procedures, the failure rate is less than 2%, which is the lowest in this line.

Raw Material Inspection:

Most of our raw material suppliers are best, our QC and engineers would make strict inspection of the raw material step by step to ensure quality product. Any unqualified material will be rejected to guarantee best quality.

It is the energy released by this collapse that will assist a detergent in breaking the bonds between parts and their soils.

100% product inspection:

We QC team would check the production process to ensure machine 100% qualified. Each unit would be under testing at least 4 hours before packed, and sales person will send inspection pictures for your checking.
